CAGAYAN STATE UNIVERSITY

ANDREWS CAMPUS

CITIZEN'S CHARTER

2025 (1st EDITION)

I. MANDATE

PRESIDENTIAL DECREE No. 1436, s. 1978

"WHEREAS, the establishment of a state university in the Province of Cagayan will provide better service in professional and technical training in the arts, sciences, humanities and technology and in the conduct of scientific research and technological studies". Merging the Cagayan Valley College of Arts and Northern Luzon College of Agriculture into a state University, transferring the college-level courses of Aparri College of Fisheries, Bukig National Agricultural Colleges, Sanchez Mira Rural Vocational School, Aparri School of Arts and Trades, Gonzaga National Agricultural Vocational School, and Western Cagayan of Arts and Trades into said University, providing a charter for this purpose, and appropriating funds therefor.

II. VISION

CSU is a University with global stature in the arts, culture, agriculture and fisheries, the sciences as well as technological and professional fields.

III. MISSION

Cagayan State University shall produce globally competent graduates through excellent instruction, innovative and creative research, responsive public service and productive industry and community engagement.

IV. SERVICE PLEDGE

The Administrators, faculty members, and employees of the Cagayan State University do hereby pledge to render service as efficiently as the laws require and the circumstances may allow. We shall not unduly delay the processing of transactions and shall act on all requests for action in the most expeditious manner possible in accordance with the provisions of our Citizens' Charter and the provisions of law.

COLLEGE OF TEACHER EDUCATION

1. ADVISING REGULAR STUDENTS

This procedure outlines the steps students must follow to obtain an advising form from the College of Teacher Education. It ensures that students enroll in the appropriate course for the semester while also monitoring the number of students in each section. Additionally, it provides support for cases involving irregular students.

The objective of this process is to provide a structured and efficient system for advising regular students, ensuring that they enroll in the appropriate courses required for their academic progression. It aims to assist students in making informed decisions regarding their subjects while maintaining an organized and balanced distribution of students across sections. Additionally, this process helps monitor enrollment patterns, address scheduling concerns, and support irregular students in aligning their coursework with their academic requirements. Ultimately, it seeks to enhance the overall advising experience by promoting academic guidance, proper course selection, and student success.

2. REQUESTING PETITIONED COURSES / SPECIAL CLASSES

This process facilitates the approval and offering of petitioned subjects for irregular and graduating students, ensuring they can complete their academic requirements on time, even if they have encountered previous academic challenges.

The College Dean evaluates and approves petitions based on the number of requesting students, as well as the availability of classrooms and faculty members to conduct the class, ensuring the feasibility and smooth implementation of the petitioned courses.

The objective of this process is to provide students, particularly irregular and graduating students, with an opportunity to complete their academic requirements on time by facilitating the approval and offering of petitioned courses or special classes. It aims to ensure that students who face scheduling conflicts or academic setbacks can still progress toward graduation without unnecessary delays. Additionally, this process seeks to optimize institutional resources by assessing the feasibility of offering petitioned courses based on student demand, faculty availability, and classroom capacity. By implementing a structured approach to handling course petitions, the process promotes academic continuity, supports student success, and upholds the institution’s commitment to accessible and flexible learning pathways.
