Pest-free Greetings!

Established in 2018, **PestPro PH Pest Management** is a quick-progressing company and a reputable provider of high-quality pest control services. **PestPro PH** is an **ISO 9001:2015 Quality Management System (QMS)** certified company, an active member of the **Pest Control Association of the Philippines (PCAP)**, and an accredited commercial applicator by **Fertilizer and Pesticide Authority (FPA)** with license number (P)-0601-00103, **CRIF D-B Philippines** with DUNS No. 65-961-6166, and **Food and Drug Administration (FDA)** with license number CCHUHSRR-NCR-PCO-01-ERFR-632103.

As a firm believer in the importance of nurturing talent and fostering meaningful connections with academic institutions, we are eager to tap into the rich pool of skilled and motivated individuals within your university community. We believe that by partnering with esteemed institutions like **CSU**, we can not only identify top-tier talent but also contribute to the professional development and growth of young graduates.

At **PestPro PH**, we are committed to serve our clients with professionalism, guided by its shared value and be the pest management of choice in the country providing utmost customer satisfaction.

Our team is particularly interested in individuals who demonstrate a strong academic background, a passion for learning, and a drive to excel in their chosen fields. We see **CSU** as an ideal partner in identifying and engaging with such talent.

At this moment, the **Assistant Supervisor for Operations** positions, are vacant. The said position is a full-time job and serves as a department's team lead for technical specialists, supporting the primary supervisor with day-to-day operational management and administrative functions. The Assistant Supervisor will handle multiple accounts to administer compliance with each client requirement.

📍 Unit D, Lt B5, Atherton cor. Adrian Street, North Fairview Park Subdivision,
North Fairview, Quezon City, 1121

We are open to exploring various avenues of collaboration, including but not limited to:

1. Participating in career fairs, networking events, and informational sessions.
2. Offering internships, co-op programs, or other experiential learning opportunities to students and recent graduates.
3. Providing mentorship or guidance to students interested in pursuing careers in Urban Pest Management.

PestPro PH has a work environment that promotes open communication, professional workplace culture and atmosphere, and people are action oriented. Attached in this letter is the job description of the position being sought for reference.

For more information regarding our company, please visit our website at www.pestproph.com and Facebook page (facebook.com/pestproph).

Should you have any questions or concerns, please do not hesitate to contact HR Danica Santos at CAREERS@PESTPROPH.COM or through mobile at +63 919-516-30-92.

We are looking forward to impart the opportunity to your respective circle.

Thank you!

Sincerely,

Joshua Migdel B. Malana
CEO
