BATCH 2026

CSU CONFERS DEGREES ON 162 MEDICAL LABORATORY SCIENCE GRADUATES

Cagayan State University officially concluded its 48th Academic Convocation for the Conferment of Degrees and Titles on August 28, 2026, as 162 graduates of the Bachelor of Science in Medical Laboratory Science program of the College of Allied Health Sciences–Andrews Campus took the stage. Their graduation brought the University's Batch 2026 total to 9,023 graduates, marking another milestone in CSU's continuing commitment to producing competent professionals for the country and their communities.

CSU CONFERS DEGREES IN 16TH SUMMER ACADEMIC CONVOCATION

Cagayan State University held its 16th Summer Academic Convocation for the Conferment of Degrees and Titles on August 20, 2026, at the Red Eagle Gymnasium of the CSU–Carig Campus. Guided by the theme “Leading with Integrity, Innovating with Purpose,” the ceremony celebrated graduates from Carig (160), Sanchez Mira (7), Aparri (5), Andrews (2), Gonzaga (2), Lal-lo (2), and Lasam (2) as they formally joined the ranks of CSU alumni.

CSU ADVANCES QUALITY ASSURANCE THROUGH AACCUP SURVEY VISITS

Cagayan State University sustained its commitment to academic quality and continuous improvement through AACCUP survey visits conducted in July and August 2026. Eight academic programs from the Carig and Andrews campuses underwent First and Preliminary Survey Visits from July 20–24, while four programs from the Gonzaga and Lasam campuses underwent the Third Survey Visit on August 26–28. The activities brought together accreditors, university officials, deans, coordinators, task forces, and other stakeholders in assessing program quality and strengthening CSU's academic offerings in accordance with national standards.

OFFICE OF THE PRESIDENT

COMMISSION ON HIGHER EDUCATION

CERTIFICATE OF PROGRAM COMPLIANCE (COPC)

No.: 001
Series of 2026

In accordance with the pertinent provisions of Republic Act (RA) No. 7722, otherwise known as the "Higher Education Act of 1994," and by virtue of Resolution Nos. 063-2026 of the Commission en banc, this Certificate of Program Compliance (COPC) certifies that **CAGAYAN STATE UNIVERSITY, Carig Campus, Carig, Tuguegarao, Cagayan**, complies with the prescribed minimum requirements of CHED to offer the **DOCTOR OF MEDICINE** program effective Academic Year 2026-2027.

This Certificate of Program Compliance (COPC), however, is subject to revocation if the herein institution fails to maintain the prescribed standards for the program. Furthermore, this COPC does not extend to any branch or satellite campus of the institution.

Quezon City, Philippines, March 5, 2026

FOR THE COMMISSION:

SHIRLEY C. AGUIPIS
Chairperson

Note:

Issuance of this Certificate of Program Compliance shall be guided by the following conditions:

1. The institution shall be subject to yearly CHED-PRC Joint Monitoring team;
2. The institution shall be required to submit an Annual Report to the Commission;
3. The Certificate of Program Compliance for the Doctor of Medicine program shall be exclusive to Cagayan State University, Carig Campus, Carig, Tuguegarao, Cagayan.

CSU CARIG DOCTOR OF MEDICINE PROGRAM RECEIVES CHED COPC

The Commission on Higher Education (CHED) has officially granted the Certificate of Program Compliance (COPC) to the Doctor of Medicine program of Cagayan State University-Carig Campus. The issuance of COPC No. 001, Series of 2026 certifies that the University has complied with CHED's prescribed minimum requirements to offer the Doctor of Medicine program for Academic Year 2026-2027.

ADMINISTRATION & FINANCE

As of August 31, 2026, Cagayan State University (CSU) continues to demonstrate favorable financial performance in the implementation of its Fiscal Year 2026 programs, activities, and projects. Guided by its approved Financial Plan and Disbursement Program, the University has maintained sound fiscal management and sustained a high level of budget utilization during the first eight months of the year.

On allotment performance, the University has received ₱1.360 billion, representing 83.57% of its total appropriation of ₱1.627 billion. The remaining ₱267.349 million represents unreleased appropriations and allotments under Personnel Services (PS), Maintenance and Other Operating Expenses (MOOE), and Capital Outlay (CO).

Under Personnel Services, the unreleased appropriations amounting to ₱60.784 million will be requested from the Department of Budget and

Management (DBM) to address additional budgetary requirements arising from the hiring of new personnel and to cover any potential deficiency in Personnel Services, should there be any.

For Maintenance and Other Operating Expenses, the unreleased allotment of ₱161.565 million is primarily attributable to the Free Higher Education program amounting to ₱159.565 million and ₱2 million for the Futures Thinking Research Program. Requests for the release of these allotments have already been forwarded to the DBM.

Under Capital Outlay, the unreleased allotment amounting to ₱45 million is intended for the Construction of the University Academic Building. The request for the release of funds is currently being processed, pending the submission of the remaining required documents prior to its submission to the DBM.

Details of Appropriations and Allotment

ALLOTMENT CLASS	APPROPRIATIONS	ALLOTMENT	UNRELEASED APPROPRIATIONS	ALLOTMENT RATE
PS	1,142,445,000	1,081,661,000	60,784,000	94.68%
MOOE	414,635,000	253,070,360	161,564,640	61.03%
CO	70,000,000	25,000,000	45,000,000	35.71%
TOTAL	1,627,080,000	1,359,731,360	267,348,640	83.57%

Capital Outlay posted an obligation rate of 99.88%, with ₱24.971 million obligated out of the ₱25 million allotment. The overall obligation rate reflects the University's continued progress in implementing its approved programs, activities, and projects and in utilizing the allotments released during the period.

With respect to obligation performance, the University has obligated ₱1.003 billion, equivalent to 73.78% of the total allotment received. Personnel Services recorded an obligation rate of 70.64%, while MOOE reached 84.62%.

Statement of Allotment, Obligations and Unobligated Allotment

ALLOTMENT CLASS	ALLOTMENT	TOTAL OBLIGATIONS	UNOBLIGATED ALLOTMENT	OBLIGATION RATE
PS	1,081,661,000	764,055,612	317,605,388	70.64%
MOOE	253,070,360	214,150,795	38,919,565	84.62%
CO	25,000,000	24,970,907	29,093	99.88%
Total	1,359,731,360	721,809,389	356,554,046	73.78%

Disbursements and Unpaid Obligations. This indicates that the University has maintained an efficient pace in settling its obligations for these expenditure classes and ensuring the timely utilization of funds for the implementation of its programs, activities, and projects.

For disbursement performance, the University has disbursed ₱978.206 million, representing 100% of the Personnel Services (PS) and Maintenance and Other Operating Expenses (MOOE) obligations reflected in the Statement of Obligations,

Statement of Obligations, Disbursements and Unpaid Obligations

ALLOTMENT CLASS	TOTAL OBLIGATIONS	TOTAL DISBURSEMENTS	UNPAID OBLIGATIONS	DISBURSEMENT RATE
PS	764,055,612	764,055,612	-	48.85%
MOOE	214,150,795	214,150,795		76.45%
Total	978,206,407	978,206,407		53.08%

obligations reflected in the report. The University continues to monitor the utilization of remaining allotments and the implementation of unreleased appropriations to ensure the timely and efficient delivery of its programs, activities, and projects for Fiscal Year 2026.

Overall, CSU's financial performance as of August 31, 2026 reflects strong budget utilization and effective fiscal management, with an overall 73.78% obligation rate and full disbursement of the PS and MOOE

CSU LAL-LO OPENS ₱35-MILLION ACADEMIC BUILDING

Cagayan State University–Lal-lo Campus inaugurated a new ₱35-million two-storey academic building on July 30, 2026, expanding the campus’s learning and administrative facilities. The building houses six classrooms with a combined capacity of nearly 400 students, a computer laboratory, administrative offices, the Campus Executive Officer’s office, and a conference room for up to 100 participants. The new facility supports CSU’s continuing efforts to provide adequate learning spaces amid increasing enrollment and strengthen academic infrastructure across its campuses.

CSU ANDREWS BREAKS GROUND FOR THREE-STOREY BALAI ALUMNI BUILDING

The CSU Andrews Campus Alumni Association formally commenced construction of the three-storey Balai Alumni Building through a groundbreaking ceremony on July 17, 2026. The project began with an initial ₱1.2-million funding commitment from the CSU Andrews Campus Alumni Association, with additional support expected from the Federated Alumni Association of CSU, Inc. Envisioned as a hub for alumni activities, collaboration, and engagement, the facility reflects the University’s continuing partnership with its graduates.

Cagayan State University continues its sustainability efforts with Phase 2 of its greening program: the Orchard Establishment Project. Building on the success of the 45,000 Trees Project, this initiative leverages research-driven Good Agricultural Practices (GAP) and climate-resilient fruit species to promote local food security and environmental resilience. Through this project, CSU remains committed to key Sustainable Development Goals: Zero Hunger, Sustainable Cities and Communities, Climate Action, and Life on Land.

CSU MUSICAL WORKS RECEIVE INTERNATIONAL STANDARD MUSIC NUMBER REGISTRATION

For the first time, four musical works published by Cagayan State University through the Knowledge & Technology Management and Publication Office were officially registered under the International Standard Music Number (ISMN) system. Processed through the National Library of the Philippines' International Standard Numbering Systems–Philippine Online Application System, the registrations formally recognize CSU's musical publications within the country's official numbering system, including "Tatak CSU" and "Raniag ti CSU," the University's official themesong and Christmas themesong, respectively.

CSU TRANSLATES AGRICULTURAL TECHNOLOGIES INTO MARKET OPPORTUNITIES

Through the Sustainable Good Agricultural Practices (GAP)-Based Vegetable Production and Processing Technology Towards Enterprise Development in Cagayan Province – Phase II, CSU, DOST-PCAARRD, and the LGU of Gonzaga helped vegetable grower-cooperators demonstrate the commercial potential of improved agricultural technologies. At the Gonzaga Food and Trade Fair, participating growers generated ₱44,105 in gross sales from GAP-based fresh vegetables and value-added products such as okra pickles, tomato leather, tomato jam, and tomato jelly, gaining practical experience in product presentation, pricing, marketing, and consumer engagement.

INTERNATIONALIZATION, PARTNERSHIP, AND RESOURCE MOBILIZATION

CSU SENDS STUDENT DELEGATION TO THE ASIAN UNDERGRADUATE SYMPOSIUM 2026

Cagayan State University strengthened its international engagement by sending 12 student delegates to the Asian Undergraduate Symposium (AUS) 2026, a two-week summer program organized by NUS College at the National University of Singapore. The delegation includes six students from Carig, three from Andrews, and one each from Sanchez Mira, Aparri, and Piat, making CSU the largest Philippine university delegation among the 10 Philippine universities represented. Prior to their departure, the Office of the Vice President for Internationalization, Partnership and Resource Mobilization conducted a Pre-Departure Orientation Seminar to prepare the delegates for the program's academic, cultural, and global citizenship dimensions. The participation advances CSU's Athena Internationalization Roadmap and supports the University's commitment to providing students with opportunities for global learning, cross-cultural collaboration, and international exposure.

CSU SENDS FACULTY, STUDENTS TO INDONESIA FOR THIRD CULTURAL EXCHANGE

Cagayan State University strengthened its regional partnerships and international mobility initiatives as 8 faculty members and 15 students joined the University's third cultural exchange program with Universitas Potensi Utama in Indonesia. Prior to their departure, the participants underwent a Pre-Departure Orientation Seminar covering travel requirements, safety and security, cultural awareness, and responsible representation of CSU. Since 2025, the University has sent 23 faculty members and 50 students through international mobility programs, further expanding opportunities for global learning and cross-cultural engagement.

CSU STUDENT, FACULTY PURSUE INTERNATIONAL MOBILITY IN CANADA, INDIA

Cagayan State University expanded its international learning opportunities as a student and faculty member participated in long-term mobility programs in Canada and India. Vea Valery Viernes, a second-year Agriculture student from CSU-Lal-lo Campus, joined the Canada-ASEAN Scholarships and Educational Exchanges for Development (SEED) Program at Olds College in Alberta, Canada, while Ms. Myrally L. Marcos, faculty extensionist of CSU-Gonzaga Campus, participated in the Indian Technical and Economic Cooperation (ITEC) Training on Sericulture and Silk Industry in Mysuru, Karnataka, India. Their participation provides opportunities to gain international perspectives, build global connections, and bring relevant knowledge and experiences back to their campuses and communities.

INTERNATIONAL POLITI-KNOWS TEAM ARRIVES AT CSU FOR COLLABORATIVE DATA GATHERING

Cagayan State University welcomed student collaborators from South Korea, Thailand, and Indonesia for the data-gathering phase of POLITI-KNOWS, a CSU student-led project selected among the Top 15 ASEAN initiatives to receive the fully funded AUS 2026 SEED Grant. Developed by CSU Carig students Eduardo S. Caranguian Jr., Richmond George A. Agustin, and Ma. Chantile Iclain C. Mabazza, the project brings together student collaborators from Seoul National University, Chulalongkorn University, Indonesia, and CSU to conduct collaborative data gathering and advance the project's regional and cross-cultural dimension. The visit marks a significant step in transforming a CSU-conceptualized initiative into a multinational student project through collaboration among young leaders from different countries.

CSU STUDENTS, FACULTY COMPLETE EXCHANGE PROGRAM IN MALAYSIA

Cagayan State University completed a week-long academic, research, and cultural exchange program with Universiti Teknologi Malaysia (UTM) from August 16–22, 2026, involving five faculty members and 18 students. Hosted by UTM's Institute of Bioproduct Development, the program featured multidisciplinary research discussions, laboratory visits, hands-on research activities, academic knowledge exchange, and the CSU Research Showcase. Students also joined the SDG Innovation Challenge, while cultural immersion and sustainability activities provided additional opportunities for learning and engagement. The exchange strengthened prospects for continued research collaboration, academic exchange, and student mobility between CSU and UTM.

OIC PRESIDENT IBAÑEZ PRESENTS CSU'S MULTI-DIMENSIONAL SUSTAINABILITY APPROACH AT GLOBAL WORKSHOP IN GERMANY

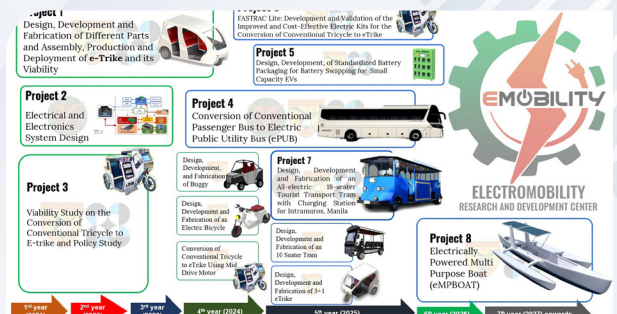

Cagayan State University presented its institutional approach to sustainability during the 12th International Workshop on UI GreenMetric Sustainable University Rankings 2026 in Hoppstädten-Weiersbach, Germany. OIC President Dr. Arthur G. Ibañez, joined by Vice President for Research, Development, and Extension Dr. Audy R. Quebral, presented CSU's "Executive Multi-Dimensional Approach to Institutional Development," emphasizing the integration of sustainability into campus development, university operations, academic programs, research, community engagement, governance, and digitalization. The international workshop provided CSU with a platform to share its sustainability journey and engage with higher education leaders and practitioners from around the world.

CSU SHOWCASES WURI-RECOGNIZED INNOVATIONS AT INTERNATIONAL SUMMIT

Cagayan State University showcased three internationally recognized programs at the 1st AUAP-WURI Impact Summit 2026 in Bangkok, Thailand, on July 9-10. The University presented CocoPreneur, the Electromobility Research and Development Center, and Project MIND, highlighting CSU's work in community entrepreneurship, sustainable transportation, student support, and innovation. The presentations built on CSU's strong showing in the 2025 World University Rankings for Innovation, where the University ranked 221st among 1,253 universities from 87 countries, with its featured programs earning top placements in their respective categories.

OFFICE OF THE VICE PRESIDENT FOR
INTERNATIONALIZATION, PARTNERSHIP AND RESOURCE MOBILIZATION

Cagayan State University-IPRM

ADOPT-A-CSU STUDENT PROGRAM

Launched in 2025, the “Adopt-A-CSU Student Program” has served as a strategic response to low national graduation rates. Driven by the strength of the alumni network, 34 donors have raised a total of ₱860,500.00 to support Cagayan State University students across the system.

GALLERY OF ACCOMPLISHMENTS

RESEARCH, INNOVATION & TECHNOLOGY

CSU ADVANCES RESEARCH AND INNOVATION THROUGH DOST PARTNERSHIP

Cagayan State University strengthened its research and innovation agenda through its active partnership with the Department of Science and Technology (DOST) during the 2026 Regional Science and Technology Week, showcasing university-developed technologies and research initiatives in electric mobility, agriculture, fisheries, public health, and other strategic fields. Among the featured innovations were the eBuggy and All-Electric Tourist Transport Tram developed by the Electromobility Research and Development Center, demonstrating CSU's commitment to translating research and innovation into science-based solutions for regional development.

CSU BENCHMARKS BIOENERGY AND CIRCULAR ECONOMY INNOVATIONS

Cagayan State University conducted a benchmarking visit to the National Bioenergy Research and Innovation Center of Mariano Marcos State University to strengthen its research, innovation, and sustainability initiatives. The activity provided CSU officials with insights into bioenergy, renewable energy, waste valorization, sustainable technologies, laboratory operations, technology commercialization, quality assurance, and research management, providing references for the University's continuing Circular Economy programs and resource utilization strategies.

DIGITAL TRANSFORMATION & AI

CSU BUILDS AI-READY EDUCATORS AND PUBLIC SERVANTS

Cagayan State University, in partnership with the Department of Information and Communications Technology Region II and Google Southeast Asia, hosted the Regional AI Training for Academic and Public Sector Professionals, equipping educators and public servants with practical knowledge on artificial intelligence through workshops on Gemini, academic leadership, teaching, and research. The initiative strengthened participants' capacity to explore AI for instruction, research, governance, productivity, and institutional leadership while emphasizing responsible, ethical, and inclusive digital transformation.

CSU STRENGTHENS DIGITAL GOVERNANCE THROUGH DILG PARTNERSHIP

Cagayan State University partnered with the Department of the Interior and Local Government Region II to develop a digital ecosystem for managing, analyzing, visualizing, and reporting Seal of Good Local Governance data. Through the initiative, CSU-Carig Campus and its College of Information and Computing Sciences will contribute expertise in information systems, data analytics, process automation, and digital tools toward the development of a cloud-based data pipeline that can support evidence-based governance, planning, monitoring, and reporting across Region II.

CSU STRENGTHENS DIGITAL SKILLS AND WORKFORCE READINESS WITH DICT

Cagayan State University and DICT Region II strengthened their partnership through an MOU for ICT capacity-building initiatives aimed at improving employability, career progression, and digital skills among students, government personnel, marginalized sectors, MSMEs, and the ICT industry. The partnership includes opportunities for upskilling and reskilling, job matching and placement, and collaborative programs responsive to evolving industry requirements.

CSU ADVANCES DIGITAL SYSTEMS THROUGH UNIVERSITY-WIDE TESTING

The University MIS Office brought together campus MIS coordinators and information officers for an E2E Systems Orientation and Beta Testing Workshop, providing participants with hands-on opportunities to test university information systems, identify technical and operational concerns, and recommend improvements. The activity supported the continuing refinement of the University's Enrollment-to-Employment information systems and strengthened coordination among the MIS Office, campus coordinators, developers, and partner offices.

ACADEMIC DEVELOPMENT & INNOVATIVE LEARNING

CSU STRENGTHENS FLEXIBLE LEARNING THROUGH MICROCREDENTIALS

Cagayan State University advanced its microcredential initiative through the "Curating the Credential" workshop, where academic leaders and faculty representatives reviewed and refined proposed microcredential offerings to ensure academic rigor, quality standards, institutional alignment, and responsiveness to industry needs. The initiative supports flexible learning pathways, lifelong learning, workforce development, and emerging shifts in higher education.

CSU FUTURE-PROOFS COMPUTING EDUCATION

Cagayan State University strengthened its College of Information and Computing Sciences programs through a curriculum revision and syllabi enhancement initiative focused on preparing students for emerging technologies such as artificial intelligence, data analytics, cybersecurity, cloud computing, and robotics. The review involved faculty, students, alumni, government, industry, parents, and other stakeholders and covered program objectives, student outcomes, course sequencing, laboratory and internship requirements, and alignment with CHED, AACUP, and industry expectations.

CSU, AUF EXPAND GRADUATE EDUCATION AND RESEARCH COLLABORATION

Cagayan State University–Graduate School and Angeles University Foundation–Graduate School formalized a three-year partnership covering joint research and publications, faculty exchange, academic mobility, instructional innovation, internationalization, digital and open educational resources, and professional development. The agreement also opens opportunities for interdisciplinary research, external funding, academic resource sharing, ASEAN and global academic engagement, and micro-credentialing and continuing professional development.

CSU, ASU FORGE STRATEGIC ACADEMIC ALLIANCE

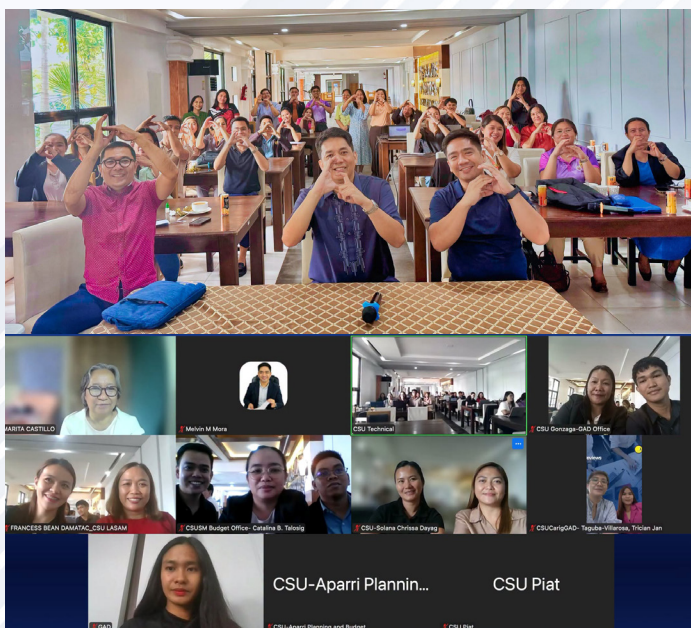

Cagayan State University and Aklan State University signed a five-year MOU establishing a framework for collaboration in instruction, research, extension, innovation, and capacity development. The partnership provides opportunities for student and faculty exchanges, joint curriculum development, collaborative research, innovation initiatives, academic resource sharing, community-based extension, and joint conferences, seminars, workshops, and training programs.

GENDER & INCLUSIVE DEVELOPMENT

CSU HOSTS REGIONAL GENDER RESEARCH TRAINING

Cagayan State University hosted the two-day Regional Seminar-Training on Gender Research organized by the Regional Gender and Development Committee–Region II through the RGAD Research and Learning Center, bringing together 160 faculty members, researchers, government partners, and GAD focal persons to strengthen their capacity in gender-responsive research. The activity promoted gender-sensitive research, evidence-based policymaking, and the institutionalization of gender perspectives in research in support of the Magna Carta of Women.

CSU STRENGTHENS GENDER MAINSTREAMING AND 2027 GAD PLANNING

Cagayan State University reviewed its 2025 and January–June 2026 GAD accomplishments and began developing its gender-responsive priorities for 2027 through a Mid-Year Performance Review and GAD Planning and Budget Briefing Workshop. The activity brought together campus GAD coordinators, planning officers, and budget officers to identify gaps, align GAD initiatives with institutional priorities, prepare the FY 2027 GAD Plan and Budget, and strengthen accountability through the ceremonial signing of the 2027 IPCR/OPCR.

COMMUNITY, LEGAL & PUBLIC SERVICE

HOUSE COMMITTEE BACKS CSU-BAGGAO CAMPUS BILL

The House Committee on Higher and Technical Education approved House Bill No. 9695, principally authored by Congressman Joseph L. Lara, seeking to establish a regular Cagayan State University campus in Baggao, Cagayan. The proposed campus aims to bring accessible and affordable higher education and technical-vocational programs closer to students in Baggao and nearby municipalities. During the August 4, 2026 committee meeting, CHED Chairperson Dr. Shirley C. Agrupis and CHED Executive Director Atty. Cinderella Filipina S. Benitez-Jaro expressed support for the measure, subject to compliance with statutory and regulatory requirements. The CSU Baggao Campus was also a priority program of former University President Dr. Urdujah G. Alvarado and was carried forward by the current administration under Officer-in-Charge President Dr. Arthur G. Ibañez.

CSU AND DILG ESTABLISH LOCAL INFRASTRUCTURE LEARNING HUB

Cagayan State University and DILG Region II established the Local Infrastructure Learning Hub to provide technical assistance, knowledge sharing, and capacity-building support to local government infrastructure audit teams. The initiative brings together academic experts, government agencies, and professional organizations to help LGUs address infrastructure development, disaster risk reduction, and climate change adaptation toward safer, more resilient, and sustainable local infrastructure.

CSU, FIVE LAL-LO BARANGAYS VALIDATE CAMPUS LAND BOUNDARIES

Cagayan State University engaged representatives of five Lal-lo barangays—Paranum, Dalaya, Sta. Maria, San Mariano, and Magapit—in a community dialogue on the identified land boundaries of the CSU Lal-lo Campus on August 10, 2026. University officials presented maps and property information and addressed observations and concerns regarding the location and extent of CSU landholdings, including areas covered by the DBP and National Greening Program projects. The activity strengthened community coordination while supporting accurate property documentation, responsible land management, and long-term campus development planning.

CSU LAW ADVANCES ENVIRONMENTAL JUSTICE THROUGH COMMUNITY ENGAGEMENT

The CSU College of Law joined Project RIDGE of Tanggol Kalikasan, Inc., expanding opportunities for law students to engage in community-based environmental advocacy in Eastern Luzon. Through the partnership, students will participate in community immersion, stakeholder engagement, participatory research, legal literacy, environmental advocacy, and the development of integrated advocacy strategies, while communities will gain greater knowledge of environmental laws, rights, procedures, and available remedies.

CSU STRENGTHENS STUDENT AND ALUMNI EMPLOYMENT SERVICES

Cagayan State University and DOLE Region II established the CSU Job Placement Office as part of the National Employment Facilitation Service Network, providing students, graduates, and alumni with employment testing, job referral, placement, career development, and related assistance. The office will also maintain Labor Market Information and coordinate with government, employers, industry associations, and other partners to identify employment opportunities and emerging workforce requirements.

INTERNATIONALIZATION & CULTURAL ENGAGEMENT

CSU BRINGS ASEAN SPIRIT TO NINE CAMPUSES

Cagayan State University and its nine campuses celebrated ASEAN Month 2026 through cultural, academic, and community activities promoting unity, cultural diversity, global citizenship, and international cooperation. Campus initiatives ranged from cultural festivals and ASEAN-themed competitions to academic discussions and creative activities, culminating in a regional celebration co-hosted with CHED Region II that strengthened cultural exchange, friendship, and inter-university connections.

CAMPUS SAFETY, GOVERNANCE & ADMINISTRATION

89 CSU EMPLOYEES TAKE OATH AS NEWLY HIRED AND PROMOTED PERSONNEL

A total of 89 newly hired and promoted faculty members and administrative personnel of Cagayan State University took their oath of office before OIC University President Dr. Arthur G. Ibañez on July 30 and 31, 2026. Fifty-eight personnel took their oath at the Central Administration, while 31 were sworn in during the Expanded Executive Committee and Management Committee Meeting at CSU Lal-lo Campus. Dr. Ibañez welcomed the employees to their new and expanded responsibilities, encouraging them to remain dedicated to public service, improve their performance, and continue developing their potential as future leaders of the University.

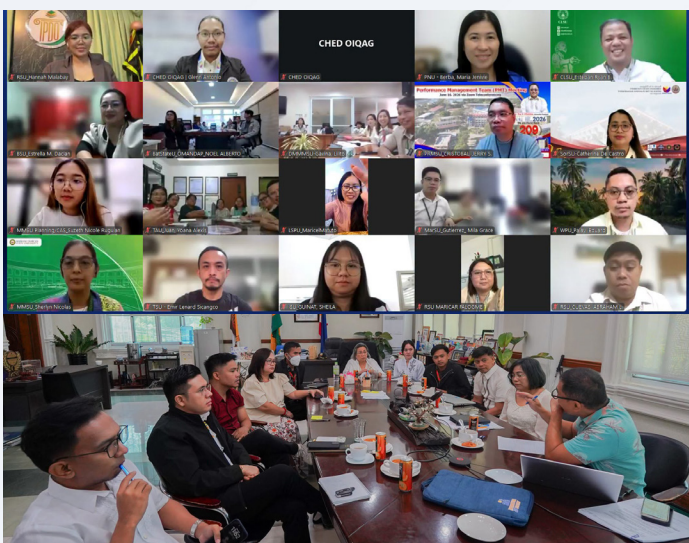

CSU STRENGTHENS CAMPUS SAFETY AND FRONTLINE SERVICES

Through the “Safe Campus, Strong Foundations” crisis management training and re-orientation, CSU strengthened the capabilities and coordination of its Food Service and Sanitation Team, Building and Grounds Custodians/Security personnel, and Health and Wellness Team. The activity focused on security and property protection, food safety and sanitation, and health emergency preparedness, reinforcing consistent and responsive safety processes across the University.

CSU STRENGTHENS PERFORMANCE ACCOUNTABILITY THROUGH QUARTERLY REVIEW

Cagayan State University conducted its 2nd Quarter Physical and Financial Performance Review to assess campus accomplishments, financial performance, budget utilization, and alignment of programs and projects with institutional priorities. The review brought together the University Performance Management Team, Campus Executive Officers, and key officials to address implementation challenges and identify strategies for continuous improvement, reinforcing accountability, transparency, and results-based management.

CSU ADVANCES PERFORMANCE MANAGEMENT AND PBB COMPLIANCE

CSU strengthened its preparations for the 2024 Performance-Based Bonus validation through a CHED orientation on performance results, submission procedures, and validation requirements. The University reviewed its accomplishments and outcomes across higher education, advanced education, research, and extension services in preparation for the submission of performance outputs aligned with Congress-approved GAA targets.

CSU REVIEWS MID-YEAR PERFORMANCE, CHARTS STRATEGIC PRIORITIES

Cagayan State University convened its Mid-Year Performance Review and Strategic Planning Workshop in Baguio City on August 5–8, 2026, bringing together the Board of Regents, university officials, campus executive officers, planning officers, and technical advisers. Led by OIC President Dr. Arthur G. Ibañez, the activity provided a venue to assess institutional performance, align strategic priorities, identify challenges, and establish directions for the University's remaining targets for 2026.

CSU ASSESSES MID-YEAR DEPARTMENTAL PERFORMANCE, SETS WAYS FORWARD

Cagayan State University conducted its Mid-Year Departmental Performance Review and Evaluation on August 13, 2026, assessing accomplishments from January to June and identifying priorities for the succeeding quarters. The review featured reports from the University's four vice presidents covering instruction and academic affairs, internationalization and partnerships, research and extension, and fiscal management and infrastructure. The activity concluded with the formulation of concrete "Ways Forward" led by the University Performance Management Team Secretariat, providing an operational guide for campuses and offices to strengthen performance and achieve their 2026 targets.

CSU EXECOM AND MANCOM STRENGTHEN INSTITUTIONAL DECISION-MAKING

The Cagayan State University Executive Committee and Management Committee convened for its regular meeting at the CSU Lal-lo Campus on July 30, 2026, presided over by OIC President Dr. Arthur G. Ibañez. University officials deliberated on matters concerning instruction, administration, finance, research, development and extension, and internationalization, partnerships, and resource mobilization, providing a platform for coordinated decision-making and institutional action.

CSU ACADEMIC LEADERS ALIGN PRIORITIES FOR AY 2026-2027

Cagayan State University convened university and college deans for its First General Assembly for Academic Year 2026-2027 on July 10, 2026, under the theme “Shaping the Next Chapter: Bridging Leadership Vision with Classroom Reality.” The assembly provided an avenue for academic leaders to align institutional priorities with college-level implementation, strengthen communication, and reinforce collaborative leadership in advancing academic transformation.

CSU PROFESSORS RECOGNIZED AS GAWAD LINGKOD BAYAN REGIONAL QUALIFIERS

Cagayan State University OIC University President Dr. Arthur G. Ibañez and Dr. Lenimfa P. Molina of CSU-Aparri Campus were recognized as 2026 Regional Qualifiers of the Honor Awards Program-Gawad Lingkod Bayan ng Pangulo during “Pagpupugay 2026: Parangal sa mga Lingkod Bayani” on September 9. The recognition, conferred by Civil Service Commission Region 02 Regional Director Fernando M. Porio with Assistant Regional Director Maria Rewina D. Arugay, honors government personnel who demonstrate exemplary performance, conduct, and commitment to public service.

INDUSTRY LINKAGES & WORKFORCE DEVELOPMENT

CSU PARTNERS WITH HOTELS TO ENHANCE HOSPITALITY TRAINING

Cagayan State University strengthened its industry partnership with Pulsar Hotel and Seed Hotel through separate MOAs supporting the Guest Satisfaction-Driven Program for Enhancing Hotel Service Quality. Anchored on CSU research on hotel guest satisfaction, the partnership will deliver an 80-hour training program through CSU’s hospitality management programs, combining online lectures and onsite skills training supported by university trainers, instructional materials, assessment tools, and certificates.

CSU AND PHILFUTURES EXPLORE STRATEGIC FORESIGHT INTEGRATION

Cagayan State University advanced discussions with the Philippine Futures Thinking Society on integrating strategic foresight into university planning and academic programs. During a July 17 courtesy visit, PhilFutures Secretary-General Dr. Michville Rivera and OIC President Dr. Arthur G. Ibañez discussed futures thinking courses, capacity-building activities, and the ACACIA Framework, including a hybrid workshop scheduled for September. The initiative seeks to equip university leaders and faculty with tools for strategic foresight, scenario planning, sustainable institutional development, and SDG-oriented decision-making.

DIGITAL ACCESS & STUDENT WELFARE

CSU EXPANDS ACCESS TO FREE PUBLIC INTERNET

The Department of Information and Communications Technology, led by Secretary Henry R. Aguda, conducted a site visit to CSU Andrews Campus for the Free Public Internet Access Program. The engagement included a tour of campus facilities and the university public Wi-Fi site, followed by interaction with students, highlighting the continuing CSU-DICT collaboration to expand access to free internet services on campus.

CSU EXPLORES FINANCING FOR STUDENT DORMITORY DEVELOPMENT

CSU officials, campus executives, planning officers, engineers, and architects engaged Pag-IBIG Fund representatives in an initial consultation on possible financing options for university dormitory projects. The discussion explored potential support for CSU's long-term plan to provide accessible, safe, and quality student accommodation across its campuses.

CSU, BATANES LEADERS DISCUSS DORMITORY PROJECT AND TRIPARTITE PARTNERSHIP

Cagayan State University OIC President Dr. Arthur G. Ibañez welcomed Batanes Governor Ronald P. Aguto Jr. and his delegation on September 2, 2026, for discussions on a proposed dormitory project and a tripartite agreement involving CSU, the Provincial Government of Batanes, and Congressman Ciriaco Gato Jr. The meeting highlighted continuing intergovernmental collaboration in support of student welfare, institutional development, and initiatives benefiting communities.

CSU EXPLORES CASHLESS CAMPUS SERVICES WITH LANDBANK

Cagayan State University explored opportunities to advance digital financial inclusion through LANDBANK's Cash-Lite Campus initiative presented during a September 10 courtesy visit to OIC President Dr. Arthur G. Ibañez. The initiative promotes digital and cashless transactions through tools such as the LANDBANK Mobile Banking App, QR code payments, and LANDBANK Piso Plus accounts, with potential applications for tuition and school fees, campus merchants, food carts, and other university services.

DIGITAL ACCESS & STUDENT WELFARE

CSU HOSTS AGGAO NAC CAGAYAN CONCERT

Cagayan State University hosted the Aggao nac Cagayan Concert on June 29, 2026, as part of the province's celebration of Aggao nac Cathedral and Aggao nac Cagayan commemorating the Solemnity of Saints Peter and Paul. The celebration featured a performance by Coro de San Jacinto, CSU's official cultural extension, and brought together distinguished government, academic, religious, and community leaders.
